RE: Petition of Lynwood Utility Corporation to Change and Increase Rates and Charges
Docket No. 99-00507

Dear Mr. Scholes:

Today I received your letter dated July 3, 2000 informing me that you would not be able to attend the Authority Conference scheduled for July 11, 2000 and that Lynwood is not opposed to the Authority's acting on the Petition for Reconsideration filed by Jacob C. (Chris) Martin. I have also received Lynwood's Response to Mr. Martin's Reply to Lynwood's Response to Mr. Martin's Petition.

This is to inform you that the Mr. Martin's Petition will remain on the agenda for consideration by the Directors at the July 11, 2000 Authority Conference. We anticipate that a number of Lynwood's customers will be in attendance. Because the further conduct of this case may be affected by actions of the Authority on July 11, I strongly suggest that representatives of Lynwood, both counsel and a company officer, attend the July 11 Authority Conference.

I would like to remind you that Mr. Martin's Petition was originally scheduled for consideration at the June 20, 2000 Authority Conference and that, at your request, the matter was removed from the June 20 agenda. A letter informing you and Mr. Martin of this change and stating that the matter would be considered at the July 11 Authority Conference was sent on June 15, 2000. I am enclosing a copy of this letter.

Thank you for your attention to this matter.

Sincerely,

K. David Waddell
Executive Secretary
